INTERNATIONAL INSTITUTE OF FASHION DESIGN

Mr. Ashok Kaushik
(INIFD Founder)

HIS VISION

"Mr. Ashok Kaushik" founded INIFD with a vision to revolutionize design education by creating a platform where creativity meets industry excellence. He believed in empowering students to think innovatively, embrace global trends, and lead with originality.

As a trailblazer in Fashion education, Mr. Kaushik aspired to create a space equipped with cutting-edge facilities, expert mentorship, and a culture of experimentation. His vision laid the foundation for INIFD, inspiring generations of designers to dream big, think boldly, and leave a global impact.

■ ABOUT INIFD

INIFD is globally recognised for Fashion and Interior Design. We offer focused training for aspirants of all levels with courses perfected over 29 years. Established under the visionary leadership of late Mr. Ashok Kaushik in 1995 INIFD has been dedicated to fostering innovation in both Fashion and Interior Design. Mr Kaushik's hard work inspired the establishment of an institute where ideas converge and solutions emerge. While we strive to provide quality pedagogy to the masses, our radical ideology is to imprint the world with the artistic trends and innovative designs that create personal and professional opportunity and also a lasting and sustainable global impact. Over the years we have collaborated with many renowned Fashion Weeks and National Awards. Our students achievements are a testament to the quality of education and guidance at INIFD. Our students have brought immense pride to the institute by excelling in diverse fields, such as winning the prestigious Pepe jeans designer awards and presenting their collections in Lakme Fashion Week Gen Next category. Our students have achieved remarkable placements with leading brands like Tommy Hilfiger, Zara, Pepe Jeans, Pepperfry, Roca, Livspace and Asian Paints. They also collaborate with top designers like Tarun Tahiliani, demonstrating their versatility and industry readiness.

Our pioneering guidance programs are designed to pave the way for a generation of creative thinkers and imaginative doers through our holistic, extraordinary and adaptable academic programming, experiential learning opportunities, academic and industry alliances and commitment to research, innovation and entrepreneurship...
